Dashboard Tour (sekali saja)

The image shows a Moodle dashboard interface with a tour modal open. The dashboard is in a dark theme. The top navigation bar includes a hamburger menu, the word 'kelas', and a user profile for 'dhimas widrayato'. The left sidebar contains links to 'Dashboard', 'Site home', 'Calendar', and 'Private files'. The main content area is divided into several sections: 'Recently accessed courses', 'Private files', 'Timeline', and 'Online users'. The 'Recently accessed courses' section shows a placeholder for 'No courses'. The 'Private files' section shows 'No files available'. The 'Timeline' section shows 'No upcoming activities due'. The 'Online users' section shows '2 online users (last 5 minutes)' and lists 'dhimas widrayato'. A modal window titled 'Your Dashboard' is open in the center, displaying the text: 'Your new Dashboard has many features to help you easily access the information most important to you.' The modal has three buttons: 'Previous', 'Next', and 'End tour'. The 'Next' button is highlighted in blue.

Course Page Tour

The screenshot shows a user interface for a course page. On the left is a sidebar with a menu icon and the word 'kelas'. Below this is a list of course-related items: 'MTK' (highlighted with a blue bar), 'Participants', 'Badges', 'Competencies', 'Grades', 'General', and several date ranges: '26 November - 2 December', '3 December - 9 December', '10 December - 16 December', and '17 December - 23 December'. At the bottom of the sidebar is a 'Dashboard' icon. The main content area has a header with a bell icon, a speech bubble icon, and the name 'dhimas widrayato' next to a profile icon. Below the header, the course title 'Matematika' is displayed, followed by a breadcrumb trail: 'Dashboard / My courses / MTK'. A settings gear icon is in the top right corner. A tour overlay is centered on the screen. It has a title 'New messaging interface' with a close button (X). The main text of the overlay reads: 'New messaging features include group messaging within a course and better control over who can message you.' At the bottom of the overlay are three buttons: 'Previous' (disabled), 'Next' (active/highlighted), and 'End tour' (disabled).

2. Menambahkan resources

The screenshot shows a Moodle course page in edit mode. The course title is 'Matematika'. The left sidebar contains a menu with options: MTK, Participants, Badges, Competencies, Grades, General, and a list of dates: 26 November - 2 December, 3 December - 9 December, 10 December - 16 December, and 17 December - 23 December. The main content area shows the course sections. The first section is '26 November - 2 December', which is highlighted with a red arrow labeled '1'. The second section is '3 December - 9 December', which is highlighted with a red arrow labeled '2'. The third section is '10 December - 16 December'. Each section has an 'Add an activity or resource' button. The top right of the page shows the user's name 'dhimas widrayato' and a gear icon for settings.

Adding Resources

The screenshot shows a Moodle course interface. On the left is a sidebar with a menu for 'kelas' containing items like MTK, Participants, Badges, Competencies, Grades, General, and a list of dates. The main area displays a 'Materials' section with a list of items, each having a plus icon and a date. A modal dialog box titled 'Add an activity or resource' is open in the center. It contains two lists: 'ACTIVITIES' and 'RESOURCES'. The 'ACTIVITIES' list includes Forum, Glossary, Lesson, Quiz, SCORM package, Survey, Wiki, and Workshop. The 'RESOURCES' list includes Book, File, Folder, IMS content package, and Label. To the right of these lists is a text box with instructions: 'Select an activity or resource to view its help. Double-click on an activity or resource name to quickly add it.' The background shows a user profile 'dhimas widrayato' and several 'Add an activity or resource' buttons on the right side of the page.

Adding Resources

The screenshot displays a course management interface with a sidebar on the left and a main content area on the right. The sidebar includes a 'kelas' (class) header, a 'MTK' course selection, and a list of course components: Participants, Badges, Competencies, Grades, General, and a series of dates from November 26 to December 17. The main content area shows a 'Dashboard' with a 'Set d' (Set description) section. A modal dialog box is open in the center, titled 'Adding Resources'. It features a list of resource types on the left, including Forum, Glossary, Lesson, Quiz, SCORM package, Survey, Wiki, Workshop, Book, File (selected), Folder, IMS content package, and Label. The 'File' option is highlighted with a blue circle. To the right of the list, there is a text box explaining the file module: 'The file module enables a teacher to provide a file as a course resource. Where possible, the file will be displayed within the course interface; otherwise students will be prompted to download it. The file may include supporting files, for example an HTML page may have embedded images.' Below this, a note states: 'Note that students need to have the appropriate software on their computers in order to open the file.' A section titled 'A file may be used' lists three bullet points: 'To share presentations given in class', 'To include a mini website as a course resource', and 'To provide draft files of software programs so students can edit and submit them for assessment'. At the bottom of the dialog are 'Add' and 'Cancel' buttons. The background interface shows a user profile 'dhimas widrayato' and several 'Add an activity or resource' buttons.

The file module enables a teacher to provide a file as a course resource. Where possible, the file will be displayed within the course interface; otherwise students will be prompted to download it. The file may include supporting files, for example an HTML page may have embedded images.

Note that students need to have the appropriate software on their computers in order to open the file.

A file may be used

- To share presentations given in class
- To include a mini website as a course resource
- To provide draft files of software programs so students can edit and submit them for assessment
